

# Building resilient communities: Lessons learned from the Deepwater Horizon oil spill

September 27<sup>th</sup>, 2016 – 9am to 4pm CT

The University of Southern Mississippi Gulf Park Campus  
730 E. Beach Blvd., Long Beach, MS

## Presenters will:

- Identify traits that made communities more resilient after the oil spill
- Discuss programs and resources that are available to communities
- Share lessons learned in overcoming disasters and identify ways to strengthen communities
